EXPERIENCE:

Subway-Windsor, Ontario

April,2023 - Present

Crew Member

- I greeted and engaged with each customer. Find the needs of the customers and help them plan. Said "thank you" to each customer and attend to their needs.

- Observed all product safety, cleanliness, and health regulations.
- Upheld top-notch shop operations. Followed store policies and procedures to ensure that each station operates well. Followed the daily checklists and cleaning standards when doing cleaning duties.
- Maintained a professional demeanor and communicated effectively. Helped the store become more profitable. Observed the cash register policies and cash handling procedures.
- Observed the recording and stocking procedures for inventory. Participated in the store's efforts to boost revenues and sales.

Freelancer Web Developer

November,2023 - Present

- Planned website development, converting mockups into usable web presence with HTML, JavaScript, XML and JSON coding.
- Oversaw technical issues and troubleshooting requests to resolve user problems.
- Collaborated with marketing, representing web team to establish project goals, projections, and milestones.
- Pulled from PHP, SQL, JavaScript, and other back-end library knowledge to bolster programming resources.
- Multi-tasked across multiple functions and roles to meet deadlines and organizational expectations.
- Designed, implemented, and monitored web pages, plugins, and functionality for continuous improvement.
